INCOME FOR LIFE FOR YOU THAT BENEFITS CALIFORNIA'S COMMUNITY COLLEGE STUDENTS

A charitable gift annuity is an extraordinary way to make a gift, provide lifetime income and take a charitable deduction. A charitable gift annuity is a contract in which you exchange a gift of cash or securities for a fixed income for the rest of your life (or the lives of two people) with the residual remaining for the community college of your choice.

- Income for Life – received quarterly, semi-annual, annual or deferred payments for the rest of your life
- Tax Deduction – a large part of your gift is a charitable deduction
- Tax-Free Payout – a large part of your annual payment could be a tax-free return of your principal

WAYS TO ESTABLISH A CHARITABLE GIFT ANNUITY

Gifts of Certificates of Deposit

Do you have CDs that are nearing maturity? Consider converting CDs into a Charitable Gift Annuity, receive an annual income (a portion of which will be tax free), an income tax charitable deduction and the satisfaction of knowing that the residual will go to support the community college of your choice.

Gifts of Stock or Securities

A gift annuity funded by securities may hold special advantages. If you gave \$10,000 worth of stock in which you have a \$3,500 long-term capital gain, you may be able to defer some of the tax should you donate the security rather than selling and donating the cash. Please consult your tax advisor for more information.
