Cross Enrollment

Lessons Learned

- Tried to jointly develop with CCC Tech Center and we learned a lot.
- Keeping in mind the student and college experience, realized we needed a different kind of partner.

Key Features

- No CCCApply application required (AB 637)
- Payment integration with college's current payment system.
- Canvas trust relationship (allows students to see Teaching College classes in Home College dashboard).

Augmentation Grant

- 2018-2019 budget allocated \$35M in one-time funds
- Goal is to award grants to help colleges and/or districts complete short-term projects that align with one or both of the two CCCCO goals described in the budget language

Augmentation Grant Goals

- Develop online programs and courses that lead to short-term, industry-valued credentials

or

- Enable a student in a pathway developed by the California Online Community College to continue his or her education in a career pathway offered by an existing community college.

Augmentation Grant Focus Areas

- Three primary focus areas (or tracks):
 - Improve access to quality online CTE-oriented programs or credentials
 - Filling gaps in online or potentially online programs that meet workforce demands
 - Enhancing support structures for students, faculty and colleges in taking/delivering these programs
- Project Name: ***Improving Online CTE Pathways***

Augmentation Grant

What are some of the key features the Chancellor's Office would like to see linked to program activities?

- Supporting online guided pathways
- Re-envisioning student on-boarding into online programs
- Development of processes that can be replicated to recognize credit for prior learning
- Clear linkage of coursework or learning activities to industry credentials and employment
- Deploying CVC-OEI Peer Online Course Review process locally

Two-Phased Grant Approach

- **Phase One: Grant Planning & Development**
 - College and/or districts form local planning teams
 - Includes up to \$15,000 cost reimbursement
 - Planning Period: [Feb 14, 2019 – May 01, 2019](#)

- **Phase Two: Grant Implementation**
 - Grant Awards (*based on local college plans submitted*)
 - Awards up to \$500,000 (*depending on quantity / quality*)
 - Review & Notification Period: [May 01, 2019 – May 31, 2019](#)
 - Awardee Authorization Period: [July 01, 2019 – June 30, 2020](#)
