Scenario

What do you grab?

Where is it?

Immediate Concerns

What do our students need the most right now?

How do we communicate to students?

How can we find displaced students?

what happens when you lose access to your campus?

How do we safely evacuate campus?

How can we assess need while remain sensitive to the trauma our students are facing?

What happens when the people we rely on are part of the disaster?

How do we connect to the community?

What services need to continue?

will students be able to finish the semester?

BUTTE COLLEGE

Measuring Immediate Needs

Camp Fire Survey sent out on 11/13/2018 to assess immediate needs of students impacted by the fires

1500 Students were displaced

831 Students lost their homes

"Lost my job"

"We need long-term housing"

"I lost everything"

"I'm not sure how I will finish my classes"

"I need money to pay for rent and expenses and food"
