EQUITY LENS - REVIEWER'S WORKSHOP

- Review of data
- Questions asked
- Discussion on intent of the scholarship
- Understanding the purpose of the scholarship

Reviewer's
Workshop

Review Committees - Gatekeepers

Questions to ponder:

- Do we see equitable outcomes within the data?
- Are we ok with the outcomes that we see?
- Are we as reviewers holding to the intent of the originator/funder?

Potential Opportunities

- Lower GPA requirement
- Minimum community service requirement
- Special populations and circumstances
- Service to others
- Review process:
 - Redact student names
 - Allow for a video presentation or in person presentation rather than essay
