---

8.13% COLA for Cooperative Agencies Resources for Education (CARE) \$2.5

---

8.13% COLA for Childcare tax bailout \$0.3 Increase FCMAT funding for Professional Learning Opportunities \$0.2

# Dual Enrollment

The Administration **requests** community colleges establish dual enrollment agreements with all applicable local educational agencies within their community college districts' service area, if they have not done so already.

The Administration **requests** that all community colleges develop and offer a one-unit service-learning course that all high school students would have the ability to access through dual enrollment opportunities.

These service-learning opportunities would serve to encourage and enable high school students to volunteer in their local communities and to participate in civic engagement.

# Student Enrollment & Retention

An increase of \$200 million one-time Proposition 98 General Fund to continue to support community college efforts and focused strategies to increase student retention rates and enrollment,

Building on an investment of \$150 million one-time Proposition 98 General Fund and

\$120 million one-time Proposition 98 General Fund for student enrollment and retention in the 2022 and 2021 Budget Acts, respectively.

# Deferred Maintenance

A decrease of approximately \$213 million one-time Proposition 98 General Fund for deferred maintenance needs.

The 2022 Budget Act included approximately \$840 million in one-time funds for 2022-23 to address deferred maintenance and energy efficiency projects across the system.

# Chief Business Officers Mentorship

An increase of \$275,000 Proposition 98 General Fund,

Of which \$200,000 is ongoing, to develop a community college chief business officer professional learning program

Run through the Fiscal Crisis and Management Assistance Team to improve community college district leadership capacity and fiscal accountability.

# Workforce Training Grants

An increase of \$14 million one-time Proposition 98 General Fund to support the administration of workforce training grants

In collaboration with the California Department of Forestry and Fire Protection.

# Enrollment

The Administration will be monitoring district-level enrollment trends as we move past the COVID-19 pandemic.

It is imperative that districts begin to regain some of the enrollment lost during the COVID-19 pandemic.

The Administration will work with stakeholders to consider options to adjust district budgets should a district not display that they are regaining enrollment lost during the COVID-19 Pandemic **entering the 2024-25 academic year.**

In addition to responding to enrollment declines in recent years, the Administration has provided significant financial support to the community colleges, including for student financial aid and basic needs, as well as for community college operations.

This includes providing a funding floor for the Student-Centered Funding Formula's hold harmless provision beginning in fiscal year 2025-26.

# Flexibility

---

To support a continued focus toward the goals of the multi-year roadmap,

---

The Administration intends to introduce a mechanism as part of the May Revision to provide community college districts that are making progress toward the CCC roadmap goals with

---

Additional categorical program spending flexibilities and the ability to consolidate reporting requirements across specified and to be determined categorical programs,

---

Provided the goals of the categorical programs and overall progress toward the roadmap goals continue to be met.

---

Under the proposal, districts making progress would have the opportunity to submit a streamlined report for the specified programs, as well as spend funds more flexibly across the programs.

# Student Housing: Higher Education Student Housing Grant Program

---

The 2021 Budget Act established the Higher Education Student Housing Grant Program to provide grants to construct student housing for low-income students

---

\$2 billion one-time General Fund set-aside by the 2021 Budget (\$500 million in 2021-22, \$750 million in 2022-23, and \$750 million in 2023-24)

---

2022 Budget Act provided \$200 million one-time General Fund for this program

---

A total allotment to \$2.2 billion for student housing grants over the three-year period

---

The Budget proposes delaying \$250 million of the anticipated 2023-24 support for affordable student housing projects to the 2024-25 fiscal year

---

# Student Housing: Block Grant

The 2022 Budget Act also included intent language to provide \$1.8 billion one-time General Fund over a two-year period in 2023-24 and 2024-25, to establish a student housing revolving loan program for the UC, the CSU, and the CCCs

The Budget proposes delaying \$900 million planned in 2023-24 to the 2025-26 fiscal year and delaying \$250 million from the 2024-25 fiscal year to the 2025-26 fiscal year

This delay would result in \$650 million in 2024-25 and \$1.15 billion in 2025-26 being available for the program

# CAL GRANT REFORM

---

The Administration remains attentive to the 2022 Budget Act's provisions regarding the fiscal conditions upon which the Cal Grant Reform Act may be implemented

---

And will continue to work closely with the Legislature, the Commission, and others as that time draws closer.

---

The Cal Grant Reform Act would make significant changes to the state's largest financial aid program, replacing the existing Cal Grant program with a new version of the program that provides:

---

- A Cal Grant 2 for eligible CCC students with financial need,

---

- And provides a Cal Grant 4 for eligible four-year university students with financial need.

# Legislative Analysts Office 2023-24: Overview of the Governor's Budget

COMMUNITY COLLEGE LEAGUE OF CALIFORNIA

# Governor's Budget Includes \$18 Billion in Budget Solutions

(In Billions)

# Most Spending Solutions Are Trigger Restorations or Delays

# Legislative Analyst's Office

Both the LAO and the administration agree that the state fiscal shortfall is manageable this year.

The Governor's proposal primarily relies on spending-related solutions.

Proposal does not contemplate using any reserves.

LAO believes approach is prudent given risk of a recession, but:

Good chance that revenues will be lower than the administration's projections.

# Recommendations:

The LAO recommends the Legislature:

(1) plan for a larger budget problem and

(2) address that larger problem by reducing more one-time and temporary spending
